

Approval Request: Educational Trip to Poland - Holocaust Remembrance

Approval Request: Educational Trip to Poland - Holocaust Remembrance

Introduction

This document outlines the details of an educational trip to Poland focused on Holocaust remembrance, scheduled between August 25th and August 30th, 2025. The trip is organized and hosted by the Israeli Scouts. Parental approval is required for participation.

Trip Overview

Purpose

The primary purpose of this trip is to provide participants with a comprehensive understanding of the Holocaust through firsthand experience and historical context. The itinerary includes visits to significant sites related to the Holocaust, fostering a deeper understanding of its impact and promoting remembrance.

Dates and Duration

The trip will commence on August 25th, 2025, and conclude on August 30th, 2025, spanning a total of six days.

Organizer

The trip is organized and supervised by the Israeli Scouts, a reputable youth organization with experience in educational travel and Holocaust remembrance programs.

Itinerary Highlights

- Visit to Auschwitz-Birkenau Memorial and Museum: Exploration of the former concentration and extermination camp.
- Exploration of Warsaw Ghetto: Examination of the historical site and its significance.
- Participation in Remembrance Ceremonies: Active involvement in memorial services and commemorative events.
- Educational Workshops: Facilitated discussions and lectures providing historical context and analysis.

Parental Consent

Requirement

Participation in this trip requires explicit parental consent. This consent acknowledges understanding of the trip's purpose, itinerary, and associated risks.

Consent Form

A separate consent form must be completed and submitted to the Israeli Scouts prior to the trip's departure. This form will include emergency contact information, medical information, and liability waivers.

Safety and Supervision

Supervision

Participants will be under the constant supervision of experienced Israeli Scouts leaders and chaperones throughout the duration of the trip.

Safety Measures

Comprehensive safety protocols will be implemented, including:

- Emergency contact procedures.
- Medical support availability.
- Risk assessment and mitigation strategies.
- Adherence to all local laws and regulations.

Financial Considerations

Costs

Detailed information regarding trip costs, including transportation, accommodation, meals, and entrance fees, will be provided separately.

Payment Schedule

A payment schedule outlining deadlines for deposits and final payments will be communicated upon acceptance of participation.

Contact Information

For any inquiries or further information, please contact the Israeli Scouts at [Insert Contact Information Here].
